## BGA Service to Bowls awarded to Carol Besnard

The whole club is delighted that Carol Besnard has been awarded the BGA Service to Bowls award for her long-term service to both the NBA and bowls in Guernsey.

Carol has been an integral part of running the committee of the NBA for thirty years and this award is thoroughly deserved.

Carol has made the decision to stand down from the committee of the NBA after serving for over thirty years in various roles. Her input will be missed though we look forward to her continuing to bowl for the NBA

## NBA Fun Day

The Fun day had perfect weather and everyone who came really enjoyed themselves. It was lovely to see many members and visitors trying their hand at the various games on offer including new ones such as Palet!

Thank you to everyone who helped on the day and provided food, drinks, and raffle prizes. Thanks to Emma for the photos of the event. Looks like we may get some new bowlers as well which is great news!

### **Green Update**

The new shed is being constructed (thanks Paul and Ian) and we have started spring cleaning the club house. The next session will be on Saturday 9<sup>th</sup> of October if anyone can help.

Pete Priaulx has started to help make the pushers more wood friendly as some concerns have been expressed about them.

***Looking forward to seeing you all at the  
quiz night and AGM***
