The NBA will record your name, address and contact details and will be held electronically by the Membership Officer. The details will be used for organising NBA leagues/knockouts and will be made available to your team, and others in the leagues/knockouts you are playing in so they may contact you to arrange/rearrange matches. The NBA will also use your details for circulating the newsletter and other relevant information such as AGM dates. Your personal data will only be shared with Bowls Guernsey Association as part of the NBA's membership with the BGA. Your details will be updated each season and will be permanently deleted two years after you cease to be a member of the NBA (unless you are an honorary member). The committee confirm your details will not be used for any non-NBA related reason. Our Data Protection policy is available within the NBA clubhouse and on our website: www.northbowls.com

Social Membership Social members will receive copies of the NBA newsletter, be invited to attend any NBA social and fundraising events, play in roll-up events and participate in the Saturday morning social leagues.

Full Membership Full members will receive the benefits as social members but are also entitled to enter and play in NBA competitions and Inter-club/representative matches. Full members will also have voting rights at NBA general meetings

All members are expected to follow the NBA policies and constitution, including the rules of play, all of which can be found on the website or at the club house.

Vouchers purchased - Note For the 2026 season we are offering members the option to purchase vouchers for rink fees rather than paying the £5 everytime you play. The vouchers are for the same value as the rink fees (so £5). They can be purchased in blocks of 10 so this would be £50. Vouchers can also be purchased during the season, just see a committee member.

Northern Bowls Association

Minimum jack length - 23m

Any bowl that falls in the ditch without touching the Jack is a dead bowl and **MUST** be removed from the rink

In a triples team only the number two player should call the shots at the head. The other team player should give them space. Unless agreed with the other team prior to the game starting

When marking a singles game:

1. Carry a chalk and measure
2. Try not to move around
3. Only give facts not advice (you can't tell someone which hand to play)
4. If you are unsure who's holding then say you think its a measure. The players have the right to visit the head
5. Ideally stand a yard to two yards diagonally behind the jack

The front of the mat should be a minimum of 2m from the ditch

Having played your shot, you should then remain behind the player who is about to bowl

Once your team's bowl stops, the rink and the head is no longer yours. You **MUST** allow the other to team to look at the head and play their bowl
